Dear **FRIENDS**,

It is our 2nd year as the FSS Basketball Program. We had a successful development season in 2022. Despite having only ten 14U players, seven were selected for their Junior Varsity Team. As a result of our success in teaching the game of basketball, we have formed 13U and 15U teams for the 2023 AAU season.

Through your help and donations, we will continue to improve and facilitate the training needed to enhance mental and physical abilities and build teamwork and character.

Please consider donating **\$100** or more today to help offset the cost of our gym rental, uniforms, and tournament registrations. Our goal is to raise \$5,000 within the next 45 days. **Any amount is acceptable.**

A donation can be made via, **Check (Payable to FSS Basketball), Bank Transfer, or PayPal** {accepted via our Website – <http://www.fssbasketball.com/>}

Remember, everything you give as donations to FSS Basketball is Tax Deductible, as we are a 501c (3) organization approved by the IRS.

Thank you for your continuous support.

Gratefully,

Edward A. Gaines
Director, FSS Basketball
